PROFILE SUMMARY

I am a passionate **Java Full Stack Developer** with interest in building web apps using **Java, Spring Boot, React**, and **MySQL**. I have practical experience from projects, mainly working on the frontend with **HTML, CSS, JavaScript**, and **React**. I enjoy learning new tools and solving real-life problems through code.

EDUCATION

Gangamai College of Engineering

Dhule, Maharashtra

Bachelors in Computer Engineering

2021 – 2024

- Represented University in Technical Fest

Government College of Engineering

Nandurbar, Maharashtra

Diploma in Computer Engineering

2019 – 2021

- Represented University in Technical Fest
- Top 5% in Academics

SKILLS

Technical skills:

Languages: Java, Javascript

Frameworks/Libraries: Advance java, Spring boot, Reactjs, HTML, CSS, Tailwind CSS, Material UI

Database: MySQL, SQL

Tools: VS Code, IntelliJ Idea, Postman, Git

PROJECTS

Quiz Application

Tools & Technologies: HTML, CSS, JavaScript, Spring boot , MySql.

- Designed and implemented a REST API to manage the quiz module end-to-end.
- Developed endpoints to create, fetch, and manage quiz data using Spring Boot.
- Designed and initialized a relational database schema to support quiz questions, options, and results.

Real Time AI Image Enhancer

Tools & Technologies: React, Tailwind CSS, External API Integration.

- Built a responsive web app using React and Tailwind CSS to enhance images in real time.
- Integrated a third-party AI image enhancement API to process and improve image quality instantly.
- Implemented clean UI for image upload, preview, and enhanced results.
- Managed API calls, error handling, and loading states for smooth user experience.

ACHIEVEMENTS

- **Java Full Stack Development Certification**
Issued by: CodeForSuccess.in
- **Web Development Certification**
Issued by: CodelabsTech IT Solution
